Go.USA.gov lets government employees create short .gov URLs from official government domains, such as .gov, .mil, .si.edu, or .fed.us URLs.

We are currently beta testing **Go.USA.gov**. Go.USA.gov registration is limited to people with .mil, .gov, .fed.us, and .si.edu email addresses. If you are a government employee and would like to use it, please [register for an account](#). If you are a government employee, but are unable to register, please [contact us](#).

Open to government employees -- federal, state, and local

1,000+ users [Go.USA.gov has shortened **5782** URLs that have been clicked **1054049** times.

25 Most Popular Go.USA.gov links] Tracks clicks across government

Short URLs never expire
